COACHES NOTES

LEWIS WOODCOCK

Welcome back to Walton for a back to back at home. It's a nice break from league football to have a cup game and keep pushing on in this competition too.

Last week was a good result here winning 4-1 against a good Loughborough team. I think we're starting to find our identity and the performances are good at the minute. The result last week was a sign of that and of the hard work the girls have put in over the last few weeks.

Today we welcome Cheadle town stingers who are flying in their league winning 5 from 5 and going a full year unbeaten in the league. We know what they're about and know it'll be a tough challenge regardless of them being in a different league. It's not a game we take lightly knowing how good they've been performing.

A special shout out to our captain Chantelle Thompson making 450 appearances in our last game. It's an unbelievable achievement at any level of football. She is a testament to everything that the Feds are about and embodies the club on and off the field.

Thank you all for coming down again and supporting us as we look to continue to build on the positive start to the season.

Lewis

We were heartbroken to hear of Matt Beard's passing last week. Everyone at Liverpool Feds is keeping his family and friends in our thoughts and sending them love and support during this sad time.

WELCOME

CHEADLE TOWN STINGERS

The journey of Cheadle Town Stingers WFC is one of passion, perseverance, and phenomenal progress.

The team was originally formed in 1999 under the guise of Manchester Stingers – a pioneering club in the Greater Manchester women's football scene. Known for their inclusive ethos and strong community roots, Manchester Stingers offered opportunities for players of all backgrounds to enjoy and compete in the game. Over two decades, they built a reputation as a welcoming, ambitious, and progressive club.

Following the COVID-19 suspension of grassroots football in 2020, a major

transition took place. Ahead of the 2020/21 season, the team relocated to Park Road Stadium in SK8 and officially rebranded as Cheadle Town Stingers, forming a formal partnership with Cheadle Town FC. This move aligned the team with a growing and supportive footballing infrastructure. Unfortunately, that debut season was cut short again by the pandemic – but it set the stage for what would become a meteoric rise.

Under the guidance of Head Coach and Manager Dylan Wimbury, the Stingers hit their stride in 2021/22, claiming their first major silverware by winning the Manchester FA Women's Challenge Cup.

LAST SEASON RESULT

2nd – 24/25

They successfully defended that trophy in 2022/23 and added the Argyle Sports Kit North West Regional Cup, showcasing their dominance and consistency.

That same season, they also made national headlines by reaching the Second Round of the FA Women’s Cup, narrowly losing 1–0 to National League Premier side Burnley – a performance that highlighted just how far the Stingers had come.

Then came the crowning achievement: in 2023/24, Cheadle Town Stingers did what many thought impossible. They won the North West Women’s Regional League – Premier Division, securing a

historic promotion to the FA Women’s National League – Division One North for the 2024/25 season. This represents a remarkable rise through the football pyramid in just a few short seasons.

From their grassroots beginnings as Manchester Stingers to becoming one of the fastest-rising women’s teams in the region, the Stingers have never lost sight of their values: inclusivity, ambition, and togetherness.
