MANAGERS NOTES

LEANNE DUFFY

Good afternoon and a warm welcome to everyone joining us at Jericho Lane today, especially to our visitors Derby County and their supporters who've made the trip.

It's great to be back at home after what's been another busy and eventful week for the team. We head into today's game on the back of a great FA Cup win against CLS, which was a really strong performance and a good reward for the hard work the players have been putting in.

Midweek brought a very different kind of challenge - an evening that had just about everything! Although the result didn't go our way, I couldn't be prouder of the character, fight, and togetherness the team showed. Performances like that show exactly what this group is about.

We're excited to be back at home today and looking forward to another competitive game. Derby will be a tough test - they'll also be keen to bounce back after their midweek result, so we know we'll need to be at our best from the first whistle.

I'd like to take this opportunity to thank our S&C coach Ash who's last game it is today before she takes up a paid role with Worcester cricket team, Ash embodies what being at our club is about and has been more than just an S&C coach through her time at Feds. All the best Ash, we look forward to welcoming you back to WHP as a fan sometime in the future.

Finally, I'd like to extend a warm welcome to Eva Spencer, who joins us on loan from Burnley.

Thanks as always for your fantastic support - enjoy the game!

**THANK YOU
ASH**

DERBY COUNTY

Derby County Women was formed in 1990. Since then, the club has grown organically from just one senior team to be the largest girls and womens club in the Derbyshire area, with teams at every age level from U8's upwards.

In 2014 the club was chosen as the Charter Standard Development Club of the year by the Derbyshire County FA and in 2015 and 2018 became FAWPL Club of the year.

It was in 2008/9 that the 1st team completed a league & cup double to win the Midland Combination League and gain promotion to the FA Women's Premier League for the first time in the club's history and we have competed continuously at this level ever since.

The club has had top 4 finishes in the newly branded FA National League Northern Premier Division since it launched. Our best position was 4 years ago when we narrowly missed out on the top place, finishing second.

Sam Griffiths became head coach in 2018/19 after a long association with the club as a player.
