ASSURE

MANAGEMENT SYSTEMS

Founded and led by Alex O'Brien, Assure Management Systems delivers expert consultancy in designing and enhancing management systems tailored to your business. Whether it's ISO 9001, 14001, 45001, BRCGS, HACCP, GMP, or PS9000, Alex brings a wealth of experience—from pharmaceutical and chemical manufacturing to engineering and transport—to help businesses operate efficiently, compliantly, and strategically.

Based in North West England, she offers both on-site and remote support across the UK. Passionate, agile, and results-driven, Alex is as committed to continuous improvement in business as she is in community—she's a sub-3-hour marathon runner, netball player, a mum of two, and actively supports women's and girls' football in Liverpool

COACHES NOTES

LEWIS WOODCOCK

Welcome back to Walton.

Last time out we came away with a 5-0 win against a good Boldmere side in the WFA Cup 2nd Round Proper. It was a really positive performance for us which highlighted our strengths and is always good for confidence to put 5 goals in. It's great to be involved in such a prestigious competition so the longer we can make our run the better and now look forward to the next round.

Onto today, welcome to the staff, players and supporters of Stoke City. They are close to us in the league and we know the threats they pose so we know we have to be on our game like every week in this league to come away with a positive result.

Hopefully we can continue where we left off last week. It's nice to have a break from the league but now time to get the points on the board.

Thanks for your continued support and helping to make Walton Hall a home

WELCOME

STOKE CITY

Stoke City's women's team was inaugurated in the summer of 2001, and they've been climbing the leagues ever since.

The inaugural season in the West Midlands League Division One ended in success as the Potters finished third in the table and gained promotion via the play-offs.

From there, the team consolidated their position in the West Midlands Premier Division and began entering into the Staffordshire County Ladies Challenge Cup.

A first Challenge Cup final was reached in 2007, which they won, and they have now lifted the trophy 16 times, with the most recent success in the 2025 final.

Promotion to the Midlands Women's Combination League was secured in 2009 as the team finished as champions, whilst a historic treble was earned in 2013 as the team scooped the league championship, League Cup and County Cup.

LAST SEASON RESULT

3rd – 24/25

That title saw the team promoted to the FA Women's National League North where they continue to play to this day.

The Potters reached the final of the FA Women's National League Cup in 2020, however, due to the COVID-19 pandemic the final never took place.

In 2023, the team developed to semi-professional status, following significant investment from the Club's ownership.

The owners' financial commitment aims to bring success to the women's team but, more importantly, encourage young girls in Stoke-on-Trent and Staffordshire to participate in the sport.

Meanwhile, the Potters' form continued in cup competitions with their run to the Adobe Women's FA Cup Fourth Round, their best in five years, while defeats of Wolves, Barnsley, Liverpool Feds, Burnley and Plymouth Argyle booked their spot in the FA Women's National League Cup for only the second time in the Club's history.

Following the conclusion of the 24/25 campaign, the Club appointed Sarah Richardson as the new Head Coach of their women's first team, while also announcing long-term plans to put local talent at the heart of its strategy for women and girls' football through a new Elite Girls' Academy programme.
