## COACHES NOTES

# LEANNE DUFFY

**W**elcome to everyone attending today's fixture, and a warm welcome to Everton U21s who make the trip to face us. We hope their players, staff, and supporters enjoy their visit and we look forward to a competitive game.

The county cup is a competition that we have a good history in but also one that has eluded us for the last 2 years so we are determined to put ourselves in a position to reach another final.

That been said we know the challenge ahead today with a youthful everton and quality players including our own Jess Brady who lines up against us today.

We've taken lots of positives from our previous 2 games, the 5-0 win against Khalsa was a fantastic result and a strong performance which showed all qualities we expect from this group.

Even last week, despite the result, there were still aspects of our performance we know we can build on and take forward into

our remaining games.

Looking ahead, we're also really excited about our Her Game Too event taking place next week. It's an important initiative that continues to grow within football, helping promote inclusivity and ensure the game is welcoming for everyone. I'd encourage as many supporters as possible to come along and be part of the occasion as we show our support for such a great campaign.

As always, thank you for your continued support - enjoy the game.

Duff

GAME FOR ALL

# WELCOME EVERTON

Everton Women U21s arrive as a side focused on developing the next generation of talent at one of the country's most established women's clubs.

As part of Everton's player pathway, the U21s provide young players with the chance to gain competitive experience and continue their progress towards senior football. With a strong academy setup behind them, they offer a tough test and reflect the club's continued investment in the future of the women's game.

Everton Women U21s compete in the National Football Youth League and are part of the club's wider development pathway, giving young players the chance to gain regular competitive minutes and continue their progress towards senior football. Last season, they faced opposition including Sunderland, Middlesbrough, Macclesfield, i2i International and Wath Academy, underlining the competitive level of their programme.
